## OPEN POSITION

**Position:** Professional Barber  
**Location:** North Hollywood  
**Type:** Part Time/Full Time/ Floater  
**Salary:** Depending on Experience / DOE

**Position Summary:** Professional Barbers need to possess exceptional communication skills as they engage clients in conversation regularly. They should be able to take good directions and follow specific instructions provided by customers. Most important create a friendly relaxing experience.

### Essential Duties

- Welcome clients as they arrive in the barbershop and engage them in conversation to determine their needs
- Provide suggestions to clients regarding current hair styles and popular trends
- Answer clients' questions regarding barbershop's facilities and hair care products
- Inquire from clients about hair care preferences and suggest appropriate resolutions to hair and scalp issues
- Cut and style hair according to clients' instructions
- Provide beard trims to clients looking for grooming
- Give scalp treatments and apply facials
- Check clients for scalp or skin disorders such as sores or abrasions and determine how to provide a certain service
- Ensure that all combs and scissors are cleaned and sanitized after use
- Take telephone calls from clients and provide them with needed information
- Schedule appointments over the telephone and maintain records of work performed on each client
- Assume responsibility for the upkeep and cleanliness of work stations
- Perform up-selling services by suggesting retail products placed at the barbershop
- Ensure that sufficient items such as clean barber capes and towels are available on an ongoing basis
- Supervise trainees and apprentices to ensure that they are working according to the shop's protocols
- Resolve clients' complaints properly in a bid to ensure recurring business from them
